Dear National Coordinators,  
Hope you are well and you are ready for a new start in the long Data Collection Process for the preparation of MAP 2014 in which are supposed to be submitted data about:

- Infrastructure and Traffic
- Road Safety, Border Crossing
- Maintenance Cost
- Projects (Priority or Non-Priority)

You are pleased to notify your key users that the process begins and that the **deadline is 31.05.2013**. SEETIS can be accessed from our web site or directly from the link: <http://webseeto.seeto.org/seeto/home/>

**Please note** that if you need to update the list of key users do it immediately in order that the data to be secure.

- ✓ Multi Annual Plan
- ✓ Investment Report
- ✓ Other Reports related to Border Crossing and Road Safety
- ✓ REBIS

•Who is assisting in data collection?!

•Other users that benefits from our system?!
